11. MANDATORY ARBITRATION: As a condition of participating in this Contest, except where prohibited by law, you agree that any dispute, claim, or controversy arising out of or relating to the Contest, the award of a prize, or the breach, termination, enforcement, interpretation, or validity of the Official Rules, shall be submitted to and determined by JAMS exclusively on an individual, non-class basis pursuant to its Comprehensive Arbitration Rules and Procedures and in accordance with the Expedited Procedures in those Rules. For the avoidance of doubt, you agree that any and all disputes, claims, and causes of action arising out of or related to this Contest or any prize awarded shall be resolved individually

and not in the form of any class action or other form of representative action. You agree that, as a condition of participating in this Contest, you and all entrants waive any right to bring any action arising from or related to the Contest or the award of a prize as a class or other representative action.

The arbitration shall be held before a single arbitrator, who shall be an attorney at law and an experienced commercial and contract law arbitrator. The Sponsor shall bear the cost of the arbitration, including the compensation of the Arbitrator and all administrative expenses. The parties may be represented by their own attorneys in the arbitration proceeding and, except as may otherwise be required by law, shall be responsible for their own attorneys' fees and costs incurred in presenting their case to the Arbitrator.

The Arbitrator shall have the power to award all legal relief available in a court of law, including any and all damages that may be available for any of the claims asserted, provided, however, that the arbitrator may not award any incidental, indirect, or consequential damages, including damages for lost profits, or any other relief waived under this Agreement. In addition, each of the parties shall retain all defenses that they would have in a judicial proceeding, including defenses based on the expiration of the statute of limitations and that the damages being sought are not authorized or are excessive.

The Arbitrator shall render a written award within thirty (30) days after the matter is submitted for determination, and the award of the arbitrator shall be final and binding on the parties. Judgment on the award may be entered in any court having jurisdiction. This provision, however, shall not preclude the parties hereto from seeking provisional remedies in aid of arbitration from a court of appropriate jurisdiction, including preliminary injunctive relief.

You agree and acknowledge that the Contest evidences a transaction involving interstate commerce and that this Agreement is entered into under the Federal Arbitration Act ("FAA.") Accordingly, this Agreement shall be interpreted and construed in accordance with the law and procedures developed under the FAA. The parties shall maintain the confidential nature of the arbitration proceeding and the Award. You agree that by participating in the Contest, you also enter into this agreement to arbitrate freely and voluntarily and without any form of coercion, duress or undue influence.
